October 22, 2025

Dear Parents and Guardians,

As we prepare for Mid-Term Break, tomorrow, October 23, 2025, Progress Report distribution will begin promptly at 1:00 p.m. As a reminder there is no aftercare tomorrow. Students are permitted to leave upon collection of their reports.

Additionally, this morning, Xavier's Lower School conducted an Emergency Drill as part of our ongoing commitment to maintaining a safe and secure environment for all students and staff.

Please be assured that at no point were any students or staff members in danger. This was only a drill.

As part of our school's safety protocol, we are mandated to conduct emergency drills several times throughout the academic year. These exercises help ensure that our students and staff are familiar with proper procedures and allow us to address any areas for improvement should a real emergency ever arise.

We thank you for your continued cooperation and support as we work together to prioritize the safety and well-being of our school community.

Warm regards,

Deidre Cooper
