# RELIGIOUS REFLECTION

## February Reflection: Love in Action

As we journey through this month often associated with love, we are reminded that love, in its truest form, is far more than sentiment or affection. As Catholics, we are called to a deeper understanding of love — one rooted in sacrifice, patience, kindness and service.

St. Paul reminds us in 1 Corinthians 13 that love is patient and kind, not jealous or boastful, not quick to anger and never failing. This kind of love is not always easy. It asks us to forgive when we would rather hold on to hurt. It calls us to show compassion when it is inconvenient. It challenges us to see Christ in one another — especially in moments of disagreement or difficulty.

In our school community, love is lived out daily: in the teacher who patiently guides a struggling student, in the child who includes a classmate at recess, in parents who partner faithfully with us and in staff who serve quietly behind the scenes. Each act, no matter how small, reflects God's love.

May we continue to model Christ's love in our words, our decisions, and our actions. Let us strive to build a community where love is not just spoken, but practiced — generously, consistently, and joyfully.

***"Let all that you do be done in love." – 1 Corinthians 16:14***

Peace and Blessings,

# FOR THE LOVE OF READING

We are **EXCITED** to announce:

# SICKNESS PROTOCOLS

In order to keep the school a happy and safe working environment for students and staff we ask that sick children **remain at home**. This includes days when there may be examinations taking place. These can be made up at a later date when the child can perform to the best of his or her ability.

We ask that children with the following symptoms **remain at home**:

- **Fever**
- **Cough**
- **Vomiting and diarrhea**
- **Sore throat**
- **Body aches or chills.**
- **Headache not related to dehydration.**
- **Sinus congestion with thick mucus.**

A child who comes to school sick, or who develops symptoms of illness during the school day will be seated safely near the classroom door and a parent or guardian will be called to collect the child.

Additionally please be reminded that children must not come to school with medications in their bags.

If medication is required it **must be prescribed by the child's physician and have a pharmacy label with the name and the dosage written on it.**  
**This includes over the counter medications.**

# MORNING CABANA ROUTINE

As we continue to promote Literacy Development at Xavier's Lower School, **ALL** students are **REQUIRED** to have a book to read each morning under the front cabanas after being dropped off.

Research conducted has revealed that early morning reading is beneficial for focus and organization, while also helping to increase fluency and reading comprehension.

Students should be done with breakfast by 8:25 a.m. and in class, otherwise they will be marked late. As a reminder, **fast food e.g. McDonalds** is **PROHIBITED**, **inclusive of breakfast. (This should be eaten BEFORE coming on campus in the mornings.)**

**Please note that all parking spaces on campus are reserved for teachers and staff. If you need to park, kindly use the open area beyond the traffic cones. This will help keep traffic flowing smoothly and ensure staff have access to their designated spaces. Parents are not allowed to park or drop students off by the pool area. This is strictly prohibited.**

## **GLAT RESULTS**

GLAT for Grades 3 & 6 (2024-2025 AY) are available for collection from the school's office.

## WATER WEDNESDAYS

In an effort to develop healthy habits, we are continuing our campus initiative called **Water Wednesdays**.

On Wednesdays, students will be encouraged to only drink water. The kitchen will only have water (**No juice**) on sale on Wednesdays.

We thank you in advance for your support of this initiative as we endeavor to shape and mold healthy, hydrated children.
