RELIGIOUS REFLECTION

Greetings GIANT Family,

Message of Gentleness this Easter Season:

As we continue to rejoice in the hope and renewal that Easter brings, we are reminded of the gentle strength of Christ's love. His resurrection assures us that even in life's most challenging moments, compassion and kindness can open the way to new life and lasting peace.

As parents and caregivers, your steady presence in your child's journey is a living reflection of that love. May this season inspire us all to lead with patience, understanding, and grace—at home, in school, and throughout our community.

Wishing you and your family a joyful, hope-filled, and blessed Easter Season!

Peace and Blessings, 
XLS Administration

SICKNESS PROTOCOLS

In order to keep the school a happy and safe working environment for students and staff, we ask that sick children **remain at home**. This includes days when there may be examinations taking place. Please inform the office and class teacher, so that exams can be made up at a later date when the child can perform to the best of his or her ability.

We ask that children with the following symptoms **remain at home**:

- **Fever**
- **Cough**
- **Vomiting and diarrhea**
- **Sore throat**
- **Body aches or chills**
- **Headache not related to dehydration**
- **Sinus congestion with thick mucus**

A child who comes to school sick, or who develops symptoms of illness during the school day, will be seated safely near the classroom door and a parent or guardian will be called to collect the child.

Additionally, please be reminded that children must not come to school with medications in their bags (that includes ventolin).

If medication is required, it **MUST be prescribed by the child's physician and have a pharmacy label with the name and the dosage written on it. This includes over the counter medications.**

Feel free to email the School Nurse LaToya Boodle at latoya.boodle@cec.edu.bs for any further questions or concerns.
